

Growing Community Impact

Our mission is to connect food-insecure children in Maine with nourishing food to improve their learning capacity, health, and future. We take a whole-family approach to child hunger with programs that strive to be low-barrier, stigma-free, and environmentally responsible.

Annual Report 2025 -26

Dear friends,

From the Executive Director

This past year, we have seen our community rise up again and again to protect and support the most vulnerable among us, including too many children at risk of going hungry. The compassion, determination, and resilience our neighbors have shown both strengthen our resolve and give us hope for the future.

Nourishing children and families keeps our community strong. You can help, by continuing to volunteer, donate and tell our story to others. Thank you!

Kathryn Sargent

We gathered in June to celebrate our volunteers.

Dozens of schools and partner agencies and 150+ volunteers helped us make sure kids & families have the nourishment they need to thrive!

2025-26 School Year

Portland parent Lucy fills her van with produce for a fresh food event at Casco Bay High School.

Volunteers Mark and Kris help deliver 120 bags a week to classrooms at Reiche Community School.

IN PORTLAND

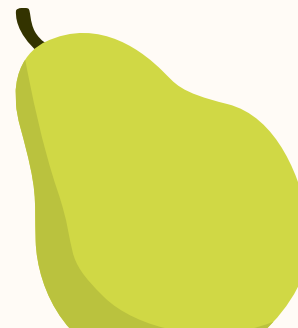

We shared 153,000 pounds of healthy food through our partnerships with the Portland Public Schools. We shared an additional 104,500 pounds with Portland kids and families in collaboration with Head Start; the Women, Infants and Children (WIC) Nutrition Program; Portland Housing Authority neighborhoods; and other partner agencies.

COMMUNITY HIGHLIGHTS

Orange Bike Brewing filled our shelves with more than 5,000 pounds of dry goods between January and March.

Each summer, we join Wayside Food Programs and Cultivating Community for four Pop Up Picnics, held at Portland community gardens. Picnics include a free dinner and music, free books, free bike tune ups and other great enrichment from community partners. We share fresh produce, bread, and meat with kids and families.

VALUES IN ACTION: COMMUNITY-BUILDING

Daisy, South Portland Program Coordinator, attended South Portland Middle School's Third Annual Family Dinner at South Portland Middle School. Over 300 families attended, enjoying local food vendors and shopping for fresh produce to take home!

IN SOUTH PORTLAND

We shared more than 67,000 pounds of food through our partnerships with the South Portland Schools. We shared an additional 98,000 pounds with South Portland families in collaboration with the Boys & Girls Club, South Portland Public Library, Fedcap, South Portland Housing Authority, and other partner agencies.

COMMUNITY HIGHLIGHTS

- We received the Sam DiPietro Community Impact Award from the City of South Portland for our work sharing nutritious food with children and families in the community.
- The Little Kitchen pantry was established at South Portland High School, with generous support from Hannaford Supermarkets.

VALUES IN ACTION: COMMUNITY-BUILDING

For several weeks in January and February, local schools saw marked decreases in attendance, as hundreds of students and their families stayed in their homes. We were able to open a second food box ordering channel for our school partners so staff and parent volunteers could deliver fresh produce and staples to students at risk of going hungry.

One of our contacts shared, “We dropped off bags for families who were too scared to leave their home. For some, it was the only food they had. So thank you from the bottom of my heart.”

IN WESTBROOK

We shared 91,300 pounds of healthy food through our partnerships with Westbrook Public Schools and the Westbrook Regional Vocational Center. We shared an additional 68,600 pounds with Westbrook kids and families through our partnerships with Head Start, WIC, Woodfords Family Services, Intercultural Community Center, and other local agencies.

COMMUNITY HIGHLIGHTS

- Every Tuesday, Bath Savings employees Cody & Geo help unload 150 bags of food and distribute them to students at Saccarappa Elementary School. Thank you to our reliable volunteers!
- We send over 200 pounds of fresh produce, baked goods, and meat over to the Intercultural Community Center (ICC) every week. Thank you to Nate (pictured here) and the rest of the ICC team for supporting New Mainers!

FARMS TO FAMILIES

Through Good Shepherd Food Bank’s Mainers Feeding Mainers (MFM) program, we were able to share more than 13,000 pounds of produce grown on local farms and donated directly in FY26. Our MFM farms included the Somali Bantu Community Association’s Liberation Farms, Cultivating Community, Two Farmers Farm, Jordan’s Farm, Pineland Farms, and Buckle Farm. Partnerships with Bumbleroot and Frith farms, as well as the Cumberland County Gleaning Initiative, increased the local bounty we could share with families.

FAMILY FOOD BOXES

Case managers at our partner agencies can order family food boxes to take on their visits to clients' homes. In FY26, we shared more than 1,800 30-pound boxes of mixed staples and fresh food, tailored to the families' dietary needs and preferences.

Home delivery of food assistance reduces many of the barriers families face to food security, including work hours and lack of transportation. Among our family food box partners are the Children's Odyssey, Connections for Kids, First4Me, Head Start, Lifestance Health, ME Dept of Public Health, Opportunity Alliance, Portland Public Health, Presente Maine, Spurwink, Westbrook Housing, and Woodfords Family Services.

VOLUNTEERS!

Our favorite neighbors—the Cumberland County Food Security Council—helped us pack bags full of nutritious staples.

Volunteers contributed more than 2,000 hours last year. We couldn't do it without you!

From left: Linda Paul, Ben Moore (USM intern), Julie Cunningham, Dodie Hamblin

Volunteers joined us for our final free food distribution at Kaler Elementary School, where we have nourished a beautiful partnership over nine years. Large distributions like these are not possible without the reliable support of our volunteers.

Our Monday bag packing crew packed 213 bags in just 90 minutes! A Locker Project record!
